

TR\_No/2018/0031

**Trade Notice  
(FFV-20178-18-000127)  
Mango Season (2018)**

**Export to Republic of Korea**

This is in continuation to the trade notice no. FFV-2017-18-00127 dated 1<sup>st</sup> March 2018 and 13.04.2018 hosted at APEDA website regarding the deputation of Quarantine Inspector from USA, Japan and Republic of Korea at Mango post harvest treatment facilities in India.

In a recent communication received from Plant Quarantine Agency, South Korea. It has been informed that they are willing to depute two Plant Quarantine Inspector (QI) for West India i.e. Maharashtra and South India i.e. Andhra Pradesh from 30<sup>th</sup> April to 25<sup>th</sup> July 2018.

Considering the availability of limited number of Plant Quarantine Inspectors of South Korea for the onsite pre-clearance programme for India, it has been decided to depute the inspector at limited locations at the Vapour Heat Treatment /Hot Water Treatment (HWT) cum Mango Packing House facilities as mentioned below:

• **First Inspector – Western Region** (to be posted on weekly basis on rotation):

\*\* It may please be noted that the inspector may be shifted to between to any facility in the country as per the requirement in case of any exigency.

However, the above mentioned facility operators/exporters are advised to book the slot for South Korea from the interested exporters and earmark atleast 60% of the slot for mango processing to other exporters per day, so that all interested exporter gets an opportunity for export of Mangoes to South Korea.

Further, the facility operators will require to maintain the treatment register and it shall be inspected by the NPPO, India officer deputed at their facility and South Korean Plant Quarantine Inspector stationed at the facilities.

The concerned interested exporters may approach the above mentioned pack house facility for booking of the slots for processing of mangoes. However, it may be noted that the date of arrival in India by inspectors is yet not finalized.

Further the date of deputation may be changed at the respective facilities as per the actual requirement under intimation to the pack house. Exporters are hereby advised to procure the raw mango for processing and export to South Korea from the registered orchards for the season 2018 under APEDA's Hortinet system. For further clarification, an e-mail may be sent at E-mail id: nagpal@apeda.gov.in.

Dr. Sudhanshu
