**Dated: 4<sup>th</sup> May 2020**

As per the impact of Covid-19 as a precautionary measure, to avoid physical transactions, it has now been decided that the additional facility provided for acceptance of payment through Demand Draft (DD) is being discontinued. No payment for issuance of RCAC for export of Basmati Rice through DD will be accepted after Monday, 11th May 2020 and the RCACs shall be issued against online payment only made through APEDA payment gateway already incorporated in the RCAC online system which is in tune with the govt policy for digital payments.

All concerned rice exporters are requested to please take a note of this change for necessary compliance.
