USTR Announces Results of the 2016/17 Annual GSP Review

The office of the United States Trade Representative has announced the results of United States Generalised Scheme of Preferences (GSP) Review on 29th June 2017 where US has granted products for GSP and de minimus waiver. The results of the review, as shared by the Embassy of India, Washington is attached herewith. The review provides an update on the additional number of lines in which U.S. GSP preferences are available. All officials are requested to go through the list for information and for further dissemination to the industry and trade associations.
